

Senior Men's League Golf – We are looking for new members to join the Senior Men's group that plays every Thursday morning, starting near 9:00am. If you are over 50 years of age and want to play with new people while playing a variety of team games, then this group of about 50 members may be exactly what you are looking for. Most of the time, you 'play your own ball' for the 18 holes. Even though you play your own ball, games are designed to be team games. There is a charge of \$50 to be a member, but you will get most of that back when we have a meal or round of drinks. If you are interested in learning more about this group, come out to the meeting/lunch this Thursday, April 27th in the lounge at the Hillcrest at noon.
